

WARNO 3: SUPPLY CHAIN CYBER DEFENSE

CLASSIFICATION: UNCLASSIFIED//FOR TRAINING USE ONLY

EXERCISE WARNO 003-25

FROM: Cyber Supply Chain Defense Task Force

TO: Defense Industrial Base Partners

DTG: 161600ZJUL25

SITUATION

1. **Enemy Forces:** EXERCISE - Simulated threat group "Shadow Vendor" targeting defense contractor networks through compromised software updates.
2. **Friendly Forces:** Defense Industrial Base cybersecurity consortium with military cyber defense support.
3. **Environment:** EXERCISE - Recent discovery of simulated supply chain compromise affecting multiple contractors.

MISSION

EXERCISE - Task force conducts defensive operations to identify and mitigate simulated supply chain cyber threats affecting defense contractors.

EXECUTION

Concept of Operations: Coordinated assessment and remediation of simulated compromised systems across the defense industrial base.

Tasks:

- Team Alpha: Software integrity verification
- Team Bravo: Network segmentation enforcement
- Team Charlie: Vendor security assessment
- Team Delta: Incident response coordination

SERVICE SUPPORT

- Cybersecurity and Infrastructure Security Agency (CISA) support
- FBI cyber crime coordination
- Threat intelligence sharing through EXERCISE channels

COMMAND AND SIGNAL

- Operations Center: Pentagon Cyber Operations

- Coordination: Defense Industrial Base portal (EXERCISE)
- Reporting: Classified and unclassified channels as appropriate

DETAILED PLANNING CONFERENCE: 171000ZJUL25
